

# UE424 – Life, Learning & Leadership

## Social Service Component (20 Marks)

### Presentation-Only Assignment (Group)

### Group Format

- This assignment will be completed in **groups of 3 students**.
- Each group will have **15 minutes total** (approximately **5 minutes per member**).
- **All members must participate equally**.
- **Each student will be graded individually**.

### Assignment Title

**From Experience to Insight: A Leadership Analysis of Real-World Systems**

### Core Task

- Complete **16 hours of social service** in an approved setting:
  - Hospital
  - NGO
  - Orphanage / Foster home
  - Underprivileged school
  - Community service initiative
- Identify **one real-world issue or system** observed during your experience.
- Deliver a **high-level analytical presentation** based on that issue.

### Critical Rule

If your presentation is descriptive, it will not pass.

If it is analytical and integrated, it will excel.

### Presentation Question

Based on your social service experience, analyze **one real-world issue or system** by integrating what you have studied in this course.

Show how **perception, bias, communication, ethics, and leadership** influence outcomes, and explain how a more effective leader would respond.

### Fieldwork Guidelines

- Actively engage in your setting; do not remain a passive observer.
- Interact with people and try to understand how the system functions.

- Superficial participation will not be accepted.

## **Mandatory Integration (Minimum 5 Modules)**

**Your analysis must apply a minimum of five course concepts, drawn from across the modules covered between the start of the course and your presentation. These include, but are not limited to:**

- Self-Awareness (Johari Window)
- Bias / Stereotypes / Inclusion
- Communication
- Ethical Frameworks (Utilitarian, Rights, Virtue)
- Leadership
- Motivation
- Goal-Setting (SMART, NGH, KPI)

## **Sample Presentation Structure (15 minutes total)**

- **Slide 1:** Context (organization, role)
- **Slide 2:** The Issue (one clear issue)
- **Slide 3:** Perception & Bias
- **Slide 4:** Self-Awareness (Johari Window)
- **Slide 5:** Communication Analysis
- **Slide 6:** Ethical Analysis (Utilitarian, Rights, Virtue)
- **Slide 7:** Leadership & Growth (NGH, competency, KPI)

## **Marking Rubric (20 Marks)**

- Integration of Course Concepts – **5 marks**
- Analytical Depth – **5 marks**
- Ethical Reasoning – **4 marks**
- Leadership Insight & Growth – **3 marks**
- Clarity & Delivery – **3 marks**

## **What an A Grade Presentation Looks Like**

- Identifies a **clear and non-obvious issue**
- Connects multiple course concepts effectively
- Applies ethical reasoning correctly
- Demonstrates insight and future growth

## **Final Note**

This assignment is not only about service.  
It is about awareness.  
And awareness is where leadership begins.
